EDUCATION

Dayananda sagar college of engineering   2023-2027
Computer Science (Cybersecurity)   *Current GPA: 9.05*

SKILLS

Languages: C/C++, Dart, Java, HTML/CSS
Cybersecurity Skills: Cryptography, Reverse Engineering, Steganography
Cybersecurity Tools/Frameworks: Kali Linux, Nmap, BurpSuite, Wireshark
Tools/Framework: Git/GitHub, VS Code, Flutter

PROJECTS

Weather App | *Flutter, Dart, OpenWeatherMap API*
* Current Weather: Get real-time weather updates for your current location.
* Weather Details: Temperature, humidity, wind speed, and more.
* Dynamic UI: A responsive and user-friendly interface that adapts to different weather conditions.

RapidQr App | *Flutter, Dart*
* RapidQR is a fast and efficient QR code scanner and generator.
* Enables quick scanning, creation, and sharing of QR codes.
* Ideal for businesses, events, and personal use.

Aegis Club Website | *TypeScript, HTML/CSS, supabase*
* Contribute in my department club website.
* Create pages in the website and make changes into it.
* Creating and managing database for a event in supabase.

Cryptic Nomads | *React,TypeScript, Tailwind,Gemini API,Chrome Extension API, Leetcode API ,Groq*
* Live Code Evaluation – Analyzes the structure and logic of the code as it's being written.
* Approach Detection – Identifies DFS, BFS, Dynamic Programming, Greedy, etc.
* Interactive Feedback – Encourages correct approaches and corrects mistakes in real- time.
* Hint System – Suggests hints if a user struggles, improving learning efficiency.
* Provide a solution based on the user's currently selected language.

EXTRACURRICULAR

Aegis Club | *Tech Team Member*
Aegis is the Cybersecurity Club of the CSE Department at DSCE, dedicated to promoting cybersecurity awareness
through hackathons and Capture The Flag (CTF) competitions. As a member of the tech team, I contribute to
hands-on learning initiatives and ethical hacking activities.

Oscode Club | *Event Management Team Member*
Oscode is the Coding Club of DSCE, organizing tech events such as hackathons and coding competitions. As a member
of the event management team, I help coordinate events while developing skills in public speaking and leadership.

ACHIEVEMENTS

-Secured 1st place in the Javaverse organized by CSE(iot and cybersecurity) department at DSCE.
-Secured 1st place in CodeRelay organized by ISE department at DSCE.
-Secured 2nd runner-up in AIML track in Haccverse organized by Reva University.
-Secured 4th place over 80+ teams in the Wesrijan organized by Welingkar Education.
